pbb Deutsche Pfandbriefbank

pbb Deutsche Pfandbriefbank is a leading European specialist bank for real estate financing. The main funding instrument is the German Pfandbrief, of which the Bank is one of the largest providers on the market. pbb Deutsche Pfandbriefbank is active on markets in Germany, USA and other European countries.

The bank's primary target of new business development is professional Real Estate clients. Core asset classes financed include residential, logistics / warehouse, hotels, retail and office properties. The regional focus is on Germany, the UK, France, the Nordic Countries, countries in Central and Eastern Europe, Spain and other selected European countries, as well as USA.

As a specialised provider of financial services we are the first choice for professional real estate investors. Our clients benefit from our in-depth sector expertise and long-term knowledge of national and international real estate markets as well as an efficient business structure.

We have many years' experience in the distribution of real estate loans on the national and international bank and capital markets. As a result, we are able to offer complete solutions: arranging, structuring and underwriting of large volume financing. Our far-reaching network in the mezzanine business area enables us to contact reliable partners and to source funding needs.

Together with our long-standing partners, the bank also offers lending within the framework of co-arrangements and syndicated loans.

Real Estate Investment Management

The pbb invest division offers funds for institutional investors, both on the equity and debt side. To achieve this, we brought established partners such as Universal Investment Management and Amundi on board.

Green Consulting

Together with the construction project developer Groß & Partner, we founded the consulting company Eco Estate GmbH to advise customers on the development of holistic solutions on the way to sustainable transformation.
