

**Annual General Shareholders' Meeting 2026
of Deutsche Pfandbriefbank AG
on 21 May 2026**

Information concerning shareholders' rights pursuant to sections 122 (2), 126 (1) and (4), 127, 130a, 131 (1) of the German Stock Corporation Act (*Aktiengesetz*, "AktG")

1. Conducting the Annual General Shareholders' Meeting as a virtual general shareholders' meeting

On the basis of section 118a AktG and article 14 (11) of the Company's Articles of Association, the Management Board has resolved to hold the Annual General Shareholders' Meeting as a virtual general shareholders' meeting without the shareholders or their authorized representatives being physically present ("**virtual General Shareholders' Meeting**"). It is therefore not possible for shareholders or their authorized representatives to physically attend the Meeting (except for the proxies designated by the Company).

The Company has set up an online service for the Annual General Shareholders' Meeting ("**AGM Portal**"). Properly registered shareholders can tune in to the Annual General Shareholders' Meeting electronically via the AGM Portal and in this way participate in the Meeting and exercise assembly-bound shareholder rights as well as follow along with the entire Annual General Shareholders' Meeting in a live audio and video stream by means of electronic communication. The password-protected AGM Portal is expected to be accessible from 30 April 2026 via the Company's website at

www.pfandbriefbank.com/investoren/hauptversammlung/

Properly registered shareholders will receive their personal login details for the AGM Portal with their registration confirmation together with further information on the use of the AGM Portal.

Other interested parties may also watch and listen to the Annual General Shareholders' Meeting live on the internet at [www.pfandbriefbank.com/investoren/hauptversammlung.](http://www.pfandbriefbank.com/investoren/hauptversammlung/)

2. Request for additions to the agenda pursuant to section 122 (2) AktG

Pursuant to section 122 (2) AktG, shareholders whose combined shareholdings add up to a twentieth of the share capital, or reach the nominal amount of EUR 500,000.00 of the Company's share capital (the latter corresponding to 176,767 shares), may request that certain items be included in the Agenda and communicated. Each new Agenda item must be accompanied by an explanation or a proposal. Such a request must be addressed in writing (in the meaning of section 122 para. 2 in conjunction with para. 1 sentence 1 AktG) to the Management Board of Deutsche Pfandbriefbank AG. In any case, it can be addressed as follows: by letter (in written form according to section 126 of the German Civil Code (*Bürgerliches Gesetzbuch*, "BGB")) to Deutsche Pfandbriefbank AG, Management Board, Parkring 28, 85748 Garching, Germany, or by e-mail (in electronic form according to section 126a BGB, *i.e.*, with qualified electronic signature) to anmeldestelle@hce-consult.de. The Company must receive such a request no later than Monday, 20 April 2026, 24:00 hours (CEST). Applicants must prove that they have held the shares for at least 90 days before the request is received, and that they will hold the shares until the Management Board decides on the request. For the calculation of the shareholding period, section 70 AktG applies. Furthermore, section 121 (7) AktG shall apply *mutatis mutandis*. As such, the day of receipt of the request shall not be included in the calculation. Postponing to or bringing forward from a Sunday, Saturday or a public holiday to a preceding or following business day is not permissible. Sections 187 to 193 BGB shall not apply analogously.

Amendments to the Agenda that require communication (unless they were already communicated with the convocation) will be published, without undue delay following receipt of the request, in the German Federal Gazette and will be forwarded to such media for publication that can be assumed to distribute information throughout the entire European Union. In addition, they will also be published on the website www.pfandbriefbank.com/investoren/hauptversammlung/ and communicated to the shareholders in accordance with section 125 (1) sentence 3 AktG.

The provisions of the AktG underlying these shareholders' rights read as follows:

Section 122 Convocation on the request of a minority

- (1) ¹The General Shareholders' Meeting is to be convened if shareholders whose combined shareholdings add up to one twentieth of the share capital request this in writing, stating the purpose and reasons for the convocation; the request must be addressed to the Management Board. ²The Articles of Association may require another form of request, or make the right to request the calling of a General Shareholders' Meeting dependent on a smaller shareholding in the registered share capital. ³Applicants must prove that they have held the shares for at least 90 days prior to the day when the request is received, and that they will hold the shares until the Management Board decides on the request. ⁴Section 121 (7) applies *mutatis mutandis*.
- (2) ¹Shareholders whose combined shareholdings add up to one twentieth of the share capital, or reach the proportionate amount of EUR 500,000.00 of the Company's share capital, may in the same manner request that certain items be included in the agenda and communicated. ²Each new item to be added must be accompanied by an explanation or a proposal. ³Any request within the meaning of sentence 1 must be received by the Company no less than 24 days, in the case of listed companies no less than 30 days, prior to the Meeting; the day of receipt shall not be included in the calculation.
- (3) ¹If the request is not fulfilled, the court may authorize the shareholders who submitted the request to convene the General Shareholders' Meeting, or to communicate the item. ²The court may simultaneously determine the Chairman of the Meeting. ³The authorization must be indicated in the convening or communication. ⁴An appeal is admissible against this decision. ⁵Applicants must prove that they will hold the shares until the court's decision.
- (4) The Company bears the costs of the General Shareholders' Meeting and, in the case of (3), also the litigation costs if the court finds for the claimant.

Section 121 General provisions [excerpt]

- (7) ¹When determining deadlines and dates which are counted backwards from the date of the Meeting, the day of the Meeting shall not be included in the calculation of such deadlines and dates. ²Postponing to, or bringing forward from, a Sunday, Saturday or a public holiday to a preceding or following business day is not permissible. ³Sections 187 to 193 BGB shall not apply analogously. ⁴For unlisted companies, the Articles of Association may determine a different calculation of the deadline.

Section 124 Publication of requests for additions to the agenda; proposals for resolutions [excerpt]

- (1) ¹Where the minority pursuant to Section 122 (2) has requested that items be placed on the agenda, said items are to be published either together with the notice convening the shareholders' meeting or, if that is not the case, without undue delay after the request has been received. ²Section 121 (4) shall apply *mutatis mutandis*; moreover, in the case of stock exchange listed companies, Section 121 (4a) shall apply *mutatis mutandis*. ³Said items are to be published and forwarded in the same way as the notice convening the shareholders' meeting.

Section 70 Calculation of shareholding period

¹Where exercising the rights of a share depends on the shareholder having been in possession of the share for a specific time period, a claim to transfer of ownership against a credit institution, financial services provider, a securities institution or a company acting as per section 53 (1) sentence 1 or section 53b (1) sentence 1 or 53b (7) of the German Banking Act (Kreditwesengesetz, "KWG") shall be deemed equivalent to ownership. ²The shareholding period of a predecessor in title is ascribed to the shareholder if the latter acquired the share free of charge, from his trustee, as universal successor, in the event of the liquidation of a Community, or a

portfolio transfer pursuant to section 13 of the German Insurance Supervision Act (Versicherungsaufsichtsgesetz) or section 14 of the German Home Loan Savings Associations Act (Gesetz über Bausparkassen).

3. Counter-proposals and nominations pursuant to sections 126, 127 AktG

Each shareholder is entitled to lodge counter-proposals in response to resolutions proposed on the items on the Agenda. If the counter-proposals are to be made available by the Company prior to the Annual General Shareholders' Meeting, they must be sent to the Company no later than 14 days prior to the Annual General Shareholders' Meeting, i.e., by Wednesday, 6 May 2026, 24:00 hours (CEST), to the address of Deutsche Pfandbriefbank AG, Investor Relations, attn. Mr. Michael Heuber, Parkring 28, 85748 Garching, Germany, or by e-mail to anmeldestelle@hce-consult.de stating the reasons for them. Counter-proposals sent to other addresses need not be made available. The time of receipt of a counter-proposal by the Company is decisive for meeting the deadline. If one of the exclusions in accordance with section 126 (2) AktG applies, a counter-proposal need not be made available. Substantiations of a counter-proposal do not need to be made accessible where they exceed 5,000 characters in total. Subject to section 126 (2) and (3) AktG, shareholders' counter-proposals that are to be made available will be published at www.pfandbriefbank.com/investoren/hauptversammlung/ together with the shareholder's name and an explanatory remark as well as any related statements by the management.

According to section 127 AktG, these rules also apply, *mutatis mutandis*, to shareholder nominations for the election of members of the Supervisory Board and for the appointment of auditors. Shareholder nominations must also be sent exclusively to the address specified above by no later than 14 days prior to the Annual General Shareholders' Meeting, i.e., by Wednesday, 6 May 2026, 24:00 hours (CEST). Such nominations need not be justified. In addition to the grounds defined in section 126 (2) AktG, a nomination need not be made available by the Management Board, *inter alia*, if the nomination does not contain name, executed profession and residence of the candidate. Nominations for the election of members of the Supervisory Board also do not need to be made available if they are not accompanied by information on the membership of the proposed Supervisory Board candidates in other statutory supervisory boards within the meaning of section 125 (1) sentence 5 AktG.

Pursuant to section 126 (4) AktG, counter-proposals and nominations that are to be made available will be deemed made at the time they are made available. Voting rights may be exercised regarding such counter-proposals and nominations after timely registration through the channels described above. If the shareholder submitting the proposal or nomination is not duly entitled to do so and properly registered for the Annual General Shareholders' Meeting, the proposal need not be dealt with at the Meeting.

Counter-proposals, nominations and other motions may also be submitted during the Annual General Shareholders' Meeting by means of video communication, i.e., within the scope of the right to speak.

The provisions of the AktG underlying these shareholders' rights – which also determine in which cases counter-proposals and nominations need not be made available – read as follows:

Section 126 Motions by shareholders

(1) ¹*Motions by shareholders, including the shareholder's name, the substantiation and any statement by the management, shall be made available to the entitled parties listed in section 125 (1) to (3), provided that the requirements stated therein are met, if the shareholder has forwarded a counter-proposal to a proposal of the Management Board and the Supervisory Board on a particular agenda item, including its substantiation, no less than 14 days prior to the Company's Meeting to the address specified in the invitation for this purpose.* ²*The day of receipt shall not be included in the calculation of the deadline.* ³*For listed companies, the information to be made available must be accessible via the Company's website.* ⁴*Section 125 (3) shall apply mutatis mutandis.*

(2) ¹*Counter-proposals and their substantiation do not need to be made available*

1. *to the extent the Management Board would incur criminal liability by doing so;*
2. *if the counterproposal would result in the passing of a resolution by the General Shareholders' Meeting that is in contravention of the law or the Articles of Association;*
3. *if material points of the substantiation contain manifestly incorrect or misleading information, or insults;*

4. if a counterproposal of the shareholder that is based on the same issue has already been made available to a Company's General Shareholders' Meeting pursuant to section 125;
5. if the same counter-proposal of the shareholder, including essentially the same substantiation, was made available to at least two of the Company's General Shareholders' Meetings over the past five years pursuant to section 125, and less than one-twentieth of the share capital represented at the General Shareholders' Meeting voted in favour of such counter-proposal;
6. if the shareholder indicates that he does not wish to attend the General Shareholders' Meeting in person or to be represented by a proxy; or
7. if, at two General Shareholders' Meetings during the past two years, the shareholder failed, in person or by proxy, to bring forward the counter-proposal previously communicated by him.

²Substantiations of a counter-proposal need not be made accessible if they exceed 5,000 characters in total.

- (3) Where several shareholders bring forward counter-proposals with regard to the same item to be resolved, the Management Board may combine the counter-proposals and their substantiations.
- (4) ¹Where General Shareholders' Meetings are held as virtual meetings, motions to be made available pursuant to (1) to (3) are deemed made at the time they are made available. ²The Company must make it possible for the voting right on these motions to be exercised as soon as the shareholders can prove that they fulfil the legal or statutory requirements for the exercise of the voting right. ³If the shareholder submitting the motion is not duly entitled to do so and, where registration is required, properly registered for the General Shareholders' Meeting, the motion need not be dealt with at the Meeting.

Section 127 Nominations by shareholders

¹Section 126 shall apply, *mutatis mutandis*, to shareholder nominations for the appointment of members of the Supervisory Board or of auditors. ²Such a nomination need not be justified. ³Furthermore, the Management Board does not need to make said nomination accessible if such nomination does not include the information specified in section 124 (3) sentence 4 and section 125 (1) sentence 5. ⁴The Management Board shall add the following information to a shareholder nomination for the appointment of Supervisory Board members of a listed company to which the Co-Determination Act (Mitbestimmungsgesetz), the Coal, Iron and Steel Industry Co-Determination Act (Montan-Mitbestimmungsgesetz, "**Montan-MitbestG**") or the Co-Determination Amendment Act (Mitbestimmungsergänzungsgesetz) applies:

1. Note on the requirements of section 96 (2);
2. Disclosure of whether objections were raised against total fulfillment as set out in section 96 (2) sentence 3; and
3. Disclosure of how many seats within the Supervisory Board have to be taken by female and male members in order to fulfil the mandatory minimum quota pursuant to section 96 (2) sentence 1.

Section 124 Publication of amendment motions; proposals for resolutions [excerpt]

- (3) ¹When announcing a Meeting, the Management Board and Supervisory Board, in the case of passing resolutions according to section 120a (1) sentence 1 and the election of Supervisory Board members or auditors, only the Supervisory Board, must make proposals for resolution on each agenda item to be decided on by the General Shareholders' Meeting. ²In the case of companies of public interest pursuant to section 316a sentence 2 of the Commercial Code (Handelsgesetzbuch, "**HGB**"), the proposal submitted by the Supervisory Board for the appointment of an auditor is to be based on the recommendation of the Audit Committee. ³Sentence 1 does not apply if the General Shareholders' Meeting is bound to nominations as set out in section 6 Montan-MitbestG when electing Supervisory Board members, or if the agenda item to be decided on has been added to the agenda on the request of a minority. ⁴Nominations of Supervisory Board members or auditors must include name, executed profession and residence of the candidate. ⁵If the Supervisory Board is to include employees as members of the Supervisory Board, resolutions passed by the Supervisory Board on nominations for the election of Supervisory Board members only require the majority of votes cast by the shareholder representatives on the Supervisory Board; section 8 Montan-MitbestG shall remain unaffected.

Section 125 Notifications for the shareholders and to members of the supervisory board

(1) ¹The Management Board of a company that has not exclusively issued registered shares has to give notice of the convening of the General Shareholders' Meeting at least 21 days before the General Shareholders' Meeting as follows:

1. the intermediaries holding shares of the company in custody,
2. the shareholders and intermediaries who requested the notification, and
3. associations of shareholders who have requested the notification or who have exercised voting rights at the last General Shareholders' Meeting.

²The date of the notification shall not be included in calculating the period. ³In the event that the agenda is to be amended pursuant to section 122 (2), listed companies must notify the entitled parties of the amended agenda. ⁴The notification must include the information that voting rights may be exercised by way of authorized representatives, including shareholders' associations. ⁵For listed companies, nominations for the election of Supervisory Board members shall include details on the membership of the proposed candidates for election to the Supervisory Board in other statutory supervisory boards, and should include details on any offices held in similar governing bodies of commercial enterprises within Germany or abroad.

(2) ¹The same notification shall be made by the Management Board of a company that has issued registered shares to those entered in the share register at the beginning of the 21st day before the General Shareholders' Meeting, as well as to shareholders and intermediaries who have requested the notification, and to associations of shareholders who have requested the notification or who have exercised voting rights at the last General Shareholders' Meeting.

(3) Each member of the Supervisory Board may request that the Management Board send him the same notifications.

(4) Every Supervisory Board member and every shareholder must be informed about the resolutions decided upon at the General Shareholders' Meeting if they so request.

(5) ¹The requirements of Implementing Regulation (EU) 2018/1212 apply to the content and format of a minimum content of information in the notifications pursuant to (1) sentence 1 and (2). ²Section 67a (2) sentence 1 applies mutatis mutandis to (1) and (2). ³In the case of listed companies, intermediaries holding shares in the company in custody are obliged in accordance with sections 67a and 67b to forward and transmit the information pursuant to (1) and (2), unless the intermediary is aware that the shareholder is receiving it from another source. ⁴The same applies to non-listed companies, subject to the proviso that the provisions of Implementing Regulation (EU) 2018/1212 do not apply.

4. Right to submit comments pursuant to sections 118a (1) sentence 2 no. 6, 130a (1) to (4) AktG

Properly registered shareholders have the possibility to submit comments regarding the agenda before the Annual General Shareholders' Meeting in order to make them available to other shareholders via the AGM Portal. For this purpose, the AGM Portal is available to shareholders at www.pfandbriefbank.com/investoren/hauptversammlung until Friday, 15 May 2026, 24:00 hours (CEST) at the latest. Comments should not exceed 10,000 characters.

In the cases set forth in sections 126 (2) sentence 1 nos. 1, 3 or 6 AktG, comments will not be published. This also applies to comments exceeding 10,000 characters and those not received by the Company in text form by Friday, 15 May 2026, 24:00 hours (CEST).

Comments to be made available, including the name and place of residence or, as applicable, registered office of the submitting shareholder, will be published for properly registered shareholders and their representatives via the AGM Portal at www.pfandbriefbank.com/investoren/hauptversammlung/ no later than on Saturday, 16 May 2026, 24:00 hours (CEST). Any comments by the management will also be published in the AGM Portal at that web address.

The possibility to submit comments does not constitute a possibility to submit questions in advance pursuant to section 131 (1a) AktG. Any questions included in comments will therefore not be answered at the virtual Annual General Shareholders' Meeting unless they are asked by way of video communication during the Meeting.

Motions, nominations or objections to resolutions of the Annual General Shareholders' Meeting contained in comments will not be considered either. These are to be submitted, made or declared exclusively in the ways described separately in this notice.

The above shareholder rights are based on the following provisions of the AktG:

Section 118a Virtual General Shareholders' Meetings [excerpt]

5. Right to speak pursuant to Sections 118a (1) sentence 2 no. 7, 130a (5) and (6) AktG

At the Annual General Shareholders' Meeting, properly registered shareholders and their representatives who are attending the Meeting by electronic means have the right to speak using video communication. As part of their speech, shareholders may submit motions and election proposals pursuant to section 118a (1) sentence 2 no. 3 AktG as well as all types of requests for information pursuant to section 131 AktG.

Requests to speak must be submitted during the Annual General Shareholders' Meeting when called by the chair of the Meeting via the AGM Portal at the internet address www.pfandbriefbank.com/investoren/haupt-versammlung/. The chair of the Meeting will give more detailed information during the Annual General Shareholders' Meeting regarding the procedure for requests to speak and their granting.

The Company reserves the right to check the proper functioning of the video communication between the shareholder and the Company during the Annual General Shareholders' Meeting and prior to that shareholder's turn to speak and will refuse the shareholder's right to speak if a properly functioning connection cannot be ensured. The minimum technical requirements for being permitted to speak via live video are therefore a web-enabled device equipped with a camera and microphone and a stable internet connection. Tips on how to optimize the proper functioning of video communication can be found at www.pfandbriefbank.com/investoren/hauptversammlung/.

The above shareholder rights are based on the following provisions of the AktG:

Section 118a Virtual General Shareholders' Meetings [excerpt]

(1) ¹The Articles of Association may provide, or authorize the Management Board to provide, that a General Shareholders' Meeting be held without the shareholders or their authorized representatives being physically present at the place of the General Shareholders' Meeting (virtual General Shareholders' Meeting). ²Where a General Shareholders' Meeting is held as a virtual General Shareholders' Meeting, the following conditions must be met:

[...]

7. shareholders attending the Meeting by electronic means are granted a right to speak at the Meeting by video communication pursuant to section 130a (5) and (6),

[...]

Section 130a Right to comment and speak at virtual General Shareholders' Meetings [excerpt]

(5) ¹Shareholders attending the Meeting by electronic means must be granted a right to speak at the Meeting by means of video communication. ²The form of video communication offered by the company must be

used for speaking. ³As part of their speech, shareholders may submit motions and election proposals pursuant to section 118a (1) sentence 2 no. 3, requests for information under section 131 (1), enquiries under section 131 (1d) and other questions under section 131 (1e). ⁴Section 131 (2) sentence 2 applies mutatis mutandis.

- (6) *In the notice convening the Meeting, the company can reserve the right to check the proper functioning of the video communication between the shareholder and the company during the Meeting and prior to that shareholder's turn to speak and to refuse the shareholder's right to speak if a properly functioning connection cannot be ensured.*

The chair of the Meeting is entitled to take various measures of control and order at the Annual General Shareholders' Meeting. This also includes the restriction of the right to speak and to ask questions. The underlying provisions in the Articles of Association of Deutsche Pfandbriefbank AG read as follows:

Article 16 Chair of General Shareholders' Meetings

- (1) *The chair of the Supervisory Board or an individual designated by the chair of the Supervisory Board (who does not need to be a member of the Supervisory Board) will take the chair at the General Shareholders' Meeting. If neither the chair of the Supervisory Board nor the individual designated by the chair are present or if the chair of the Supervisory Board does not designate an individual, the oldest present shareholder representative on the Supervisory Board will take the chair. If no shareholder representative on the Supervisory Board is present, the chair of the General Shareholders' Meeting will be elected by the General Meeting.*
- (2) *The chair will preside over the General Shareholders' Meeting. The chair may change the order of the items on the agenda from that which was originally announced. The chair also decides on the manner of voting. The chair is entitled to set a reasonable time limit for shareholders' questions and speeches. In particular, the chair may set reasonable time limits, at the beginning or during the General Shareholders' Meeting, for the entire course of the General Shareholders' Meeting, for the discussion of individual agenda items as well as for any questions and contributions to discussions.*

6. Right to disclosure pursuant to section 131 (1) AktG

At the Annual General Shareholders' Meeting, every shareholder or shareholder representative may – after having submitted a request in due time pursuant to section 131 (1) AktG – request to be informed by the Management Board about the Company's affairs, the Company's legal and business relationships with affiliated companies, and the position of the Group and the companies included in the consolidated financial statements to the extent that such information is necessary for proper assessment of an agenda item. Furthermore, section 131 (1d) AktG permits questions to be asked during the Annual General Shareholders' Meeting regarding all answers given by the Management Board.

If the chair of the Meeting so orders based on section 131 (1f) AktG, the right to information under section 131 AktG may be exercised (in all its forms) at the Annual General Shareholders' Meeting exclusively by way of video communication via the AGM Portal. Submitting questions any other way, whether by electronic or other form of communication, will not be possible either before or during the Annual General Shareholders' Meeting.

The provisions of the AktG on which those shareholders' rights are based – which also determine the pre-conditions allowing the Management Board to abstain from making the disclosure – are as follows:

Section 131 Shareholders' right to disclosure

- (1) *¹Every shareholder may request that the Management Board provide information on the Company's affairs at the General Shareholders' Meeting, to the extent that such information is necessary to make a reasonable assessment of the relevant agenda item. ²The disclosure obligation also relates to the legal and commercial relationships between the Company and an affiliated company. ³Where a Company avails itself of the relief provided under section 266 (1) sentence 3, section 276 or section 288 HGB, every shareholder may request that, at the General Shareholders' Meeting resolving on the annual financial statements, the annual financial statements be presented to him in the form they would have been presented had the relief not applied. ⁴The disclosure obligation of the parent company's Management Board (section 290 (1) and (2) HGB) at the General Shareholders' Meeting, at which the consolidated financial statements and the group management report are presented, also extends to the position of the Group and of the companies included in the Group's consolidated financial statements.*

- (1a) ¹For virtual General Shareholders' Meetings, (1) sentence 1 applies subject to the proviso that the Management Board may specify that questions of the shareholders must be submitted via electronic communication no later than three days before the Meeting. ²Section 121 (7) applies to the calculation of the deadline. ³Questions not submitted by the applicable deadline do not need to be considered.
- (1b) ¹The notice may impose a maximum scope for questions to be submitted. ²The right to submit questions can be restricted to shareholders duly registered for the Meeting.
- (1c) ¹The company must make properly submitted questions available to all shareholders prior to the Meeting and answer them not later than one day before the Meeting; section 121 (7) applies to the calculation of the deadline. ²Listed companies must make the questions and the answers thereto available on their website. ³Section 126 (2) sentence 1 nos. 1, 3 and 6 apply mutatis mutandis to making the questions available. ⁴If the answers are continuously accessible one day prior to the start and also during the Meeting, the Management Board may refuse to provide information on these questions at the Meeting.
- (1d) ¹Shareholders attending the Meeting by electronic means must be given the right to ask questions at the Meeting via electronic communication in respect of all answers given by the Management Board prior to and at the Meeting. ²(2) sentence 2 also applies to the right to ask questions.
- (1e) ¹In addition, every shareholder attending the Meeting by electronic means must be granted the right to ask questions at the Meeting via electronic communication on matters that have arisen only after the expiry of the deadline pursuant to (1a) sentence 1. ²(2) sentence 2 also applies to this right to ask questions.
- (1f) The chair of the Meeting may determine that the right to information under (1), the right to ask questions under (1d) and the right to ask questions under (1e) may be exercised at the General Shareholders' Meeting exclusively by way of video communication.
- (2) ¹The disclosure must adhere to the principles of a conscientious and true accounting. ²The Articles of Association or the Internal Regulations pursuant to section 129 may authorize the Chairman of the Meeting to set reasonable time limits for shareholders exercising their right to ask questions or to speak; they may also contain further stipulations in this regard;
- (3) ¹The Management Board may refuse to disclose information:
1. to the extent the provision of such a disclosure could, in accordance with prudent commercial judgement, have a serious adverse effect on the Company or one of its affiliated companies;
 2. to the extent such disclosure relates to tax valuations or the amount of specific taxes;
 3. regarding the difference between the carrying amount of items in the balance sheet and the actual higher value of such items, unless the General Shareholders' Meeting adopts the annual financial statements;
 4. regarding accounting and evaluation policies, provided that the specification of these policies in the notes is sufficient to present a true and fair view of the Company's net assets, financial position and results of operations within the meaning of section 264 (2) HGB; this does not apply if the General Shareholders' Meeting adopts the annual financial statements;
 5. to the extent the Management Board would incur criminal liability by making the requested disclosure;
 6. to the extent, with regard to a credit institution or financial services institution, no information is required as to the accounting and evaluation policies used nor as to any offsets made in the annual financial statements, management report, consolidated financial statements or the group management report;
 7. to the extent the requested information has been continuously available on the Company's website for a duration of no less than seven days prior to the commencement of the General Shareholders' Meeting.
- ²Disclosure cannot be refused for any other reasons.
