Debt Issuance Programme (the “Programme”)**

This second supplement (the “Second Supplement”) to the base prospectus dated 4 April 2024, as supplemented on 16 May 2024 (the “First Supplement”) (the base prospectus dated 4 April 2024 together with the First Supplement, the “Original Base Prospectus”), constitutes a supplement for the purposes of Article 23 paragraph 1 of the Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017, as amended (the “Prospectus Regulation”). The Second Supplement is prepared in connection with the Euro 50,000,000,000 Debt Issuance Programme (the “Programme”) of Deutsche Pfandbriefbank AG (the “Issuer”).

Unless otherwise stated or the context otherwise requires, terms defined in the Original Base Prospectus shall have the same meaning when used in the Second Supplement. As used herein, the term “Base Prospectus” means the Original Base Prospectus as supplemented by the Second Supplement. The Second Supplement is supplemental to, and should only be read in conjunction with, the Original Base Prospectus.

The Issuer accepts responsibility for the information contained in or incorporated by reference into this Base Prospectus. The Issuer hereby declares that all information contained in this Base Prospectus is, to the best of its knowledge, in accordance with the facts and that the Base Prospectus makes no omission likely to affect its import.

The Issuer has requested *Commission de Surveillance du Secteur Financier* (the “CSSF” or the “Competent Authority”) of the Grand Duchy of Luxembourg in its capacity as competent authority under the Prospectus Regulation and the Luxembourg act relating to prospectuses for securities dated 16 July 2019 (*Loi du 16 juillet 2019 relative aux prospectus pour valeurs mobilières et portant mise en oeuvre du règlement (UE) 2017/1129*) (the “Luxembourg Prospectus Law”), to provide the *Bundesanstalt für Finanzdienstleistungsaufsicht* of the Federal Republic of Germany, the Autoriteit Financiële Markten of the Netherlands, the Central Bank of Ireland, the Finanzmarktaufsicht of Austria, the Finanstilsynet / Oslo Børs of Norway, the Commissione Nazionale per le Società e la Borsa of Italy and the Comisión Nacional del Mercado de Valores of the Kingdom of Spain with a certificate of approval attesting that the Second Supplement has been drawn up in accordance with the Prospectus Regulation (each a “Notification”).

The Second Supplement has been filed with the Competent Authority and will be published, together with the document incorporated by reference on the website of the Issuer [www.pfandbriefbank.com](http://www.pfandbriefbank.com) (see <https://www.pfandbriefbank.com/en/investors/debt-investors/issuance-programmes/dip.html>) and on the website of the Luxembourg Stock Exchange ([www.LuxSe.com](http://www.LuxSe.com)). Upon request (to be addressed to Deutsche Pfandbriefbank AG, Parkring 28, 85748 Garching, Germany), the Issuer will provide, free of charge, a copy of the Second Supplement, of any document incorporated by reference and of the Original Base Prospectus.

The Second Supplement has been prepared following the publication of the unaudited, but reviewed condensed consolidated interim financial statements of the Issuer for the first six months of the financial year 2024 on 14 August 2024 which will be included in the Original Base Prospectus. The Second Supplement also serves to make further changes to the Base Prospectus.

#### **OVERALL AMENDMENTS**

If reference is made in the Original Base Prospectus to “Base Prospectus”, then the respective reference includes all changes made by the First Supplement and this Second Supplement.

**I. SUPPLEMENTAL INFORMATION  
RELATING TO THE SECTION "II. RISK FACTORS"**

**SUPPLEMENTAL INFORMATION RELATING TO THE SECTION "2. RISKS RELATING TO THE NOTES"**

*On page 25 of the Original Base Prospectus, the risk factor "If the Issuer has the right to redeem the Notes prior to maturity, a Holder of such Notes is exposed to the risk that due to early redemption his investment will have a lower than expected yield and/or that the market price of the Notes is negatively affected." shall be deleted and replaced by the following risk factor (amendments highlighted):*

"Early Redemption of the Notes for reasons of taxation will be permitted, if as a result of any amendment to, or change in, the laws or regulations, the Issuer will be required to pay additional amounts. Furthermore, the applicable Final Terms will indicate whether the Issuer may have the right to call the Notes prior to the Maturity Date for regulatory reasons, or for reason of an index cessation event (i.e. a termination of, material methodological change in relation to, or prohibition on the use of, the relevant reference rate for the interest rate), or for reasons of minimal outstanding aggregate principal amount or at the option of the Issuer (optional call right) on one or several dates determined beforehand. The termination, redemption, repurchase and/or repayment of Subordinated Notes and of Senior Notes in the Eligible Liabilities Format are subject to specific restrictions, which are stipulated in the applicable Final Terms of such Notes. In the case of Subordinated Notes the right of termination for taxation reasons applies also if the tax treatment of the Notes changes in any other way and such change is in the assessment of the Issuer materially disadvantageous. If the Issuer redeems any Note prior to maturity, a Holder of such Note is exposed to the risk that due to early redemption his investment will have a lower than expected yield. The Issuer might exercise his optional call right if the yield on comparable Notes in the capital market falls, which means that the investor may only be able to reinvest the redemption proceeds in Notes with a lower yield. In addition, there is a risk that the market price of the Notes may be negatively affected in case the Issuer has or is perceived to have a right to early redeem the Notes."
