

**MIFID II product governance / Professional investors and ECPs target market** – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in Directive 2014/65/EU (as amended, “MiFID II”) and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate, including investment advice, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

In case of Notes listed on the official list of the Luxembourg Stock Exchange or publicly offered in the Grand Duchy of Luxembourg, the Final Terms will be displayed on the website of the Luxembourg Stock Exchange ([www.bourse.lu](http://www.bourse.lu)). In case of Notes listed on a German stock exchange or publicly offered in one or more member states of the European Economic Area other than the Grand Duchy of Luxembourg, the Final Terms will be displayed on the website ([www.pfandbriefbank.com](http://www.pfandbriefbank.com)) of the Issuer.

Prospective purchasers of these Notes should be aware that the amount of interest on these Notes is linked to a variable interest rate, as more fully set out herein. Nevertheless, in no circumstances may the Notes be redeemed for less than par.
